Protection of Marriage Amendment 2005 **Additional Instructions for Signature Gatherers on Certification**

Campaign manager seeks to clarify post-collection procedures for petition drive

Dear Marriage Supporters,

First, **I would like to thank all of you** for all your help these last few weeks as we launched our petition drive to preserve marriage. I could not be happier with the outpouring of support for our campaign, and the willingness of people to give so freely of their time and money for a cause as important as ours. **While we are off to a great start in collecting signatures, we must not slow down.** Our children and the future generations to come are depending on us to stand up to evil and win one for the good guys.

I want to thank you again for all your help on this campaign. If you have any questions, do not hesitate to call me at (617) 795-2667.

For our families,

Robert Willington
Campaign Manager
